

PURCHASING DEPARTMENT

January 21, 2020

Board of Public Works & Safety
20 N. 6th Street
Lafayette, IN 47901

Re: Permission to Participate

The Water Resource Recovery Facility of the City of West Lafayette utilizes certain chemicals also used by Lafayette Renew.

Therefore, the City of West Lafayette desires to participate in the sealed bidding process and to purchase their chemicals from the vendors awarded the contracts in 2020 for Sodium Hypochlorite and Sodium Bisulfite. Also to incorporate Sodium Aluminate as an item in the bid for their use.

A motion has been made and seconded to allow the City of West Lafayette to participate in the upcoming sealed bidding event.

The Board of Public Works and Safety has approved this request all on this 28th day of January, 2020.
